

DOUNE & DUNBLANE SHOW – SATURDAY 2nd JULY 2016

The weather did not look promising at all as turnouts arrived at Doune and Dunblane Show with heavy rain falling on arrival. However it dried up in plenty of time to allow everyone to get ready and hitched up and the classes were completed and everyone unharnessed and everything put away before the rain came on again so we were all very grateful for the break in the weather to have the classes dry. It makes all the difference when everything can be put away dry.

The judge for the driving classes this year was Mr McNinch from Ayrshire.

The first class was the Private Driving Class which had three turnouts forward with Caroline Watson and her Welsh Cob, Llanarth Tango driven to an original 1890 Dogcart by Mulliners of Birmingham taking first place and Kim Pearson driving her Welsh X Stallion JD's El Dorado put to a 1902 Beaufort Cart in second place.

The Private Driving Class was followed by the Exercise Vehicle Class, where Claire Armet and her tandem of donkeys, Baxter & Jools driven to a Bennington Two Wheel Exercise Vehicle took first place.

Mr McNinch then presented the Championship Rosette to Caroline Watson and Llanarth Tango and Kim Pearson and JD's Eldorado were Reserve Champion.
