

## PEEBLES SHOW – SATURDAY 12<sup>th</sup> AUGUST 2017

Mr Robert Robertson was the judge for the driving class this year at Peebles Show.

This is the second year that the driving class has been held at Peebles show and it is lovely to be so appreciated by a show. This show has a lovely large flat ring and there was a good crowd assembled to watch the class.

The show is held in beautiful scenery with views over the hills. It really is a stunning setting for a show and you could not be more welcome and appreciated by a show.

There was a good turnout of six entries for Mr Robertson to judge on this occasion with two original vehicles and four exercise vehicles. It was lovely to see a couple of new turnouts at this show this year in their first season showing in driving classes and we hope to see them again in the future.

Mr Robertson's choice for First place in the class this year went to Caroline Watson and her Chestnut Roan Welsh Cob, Llanarth Tango, driven to an original 1890 Dogcart by Mulliners of Birmingham and Kim Pearson driving her Welsh X Stallion JD's El Dorado put to a 1902 Beaufort Cart in second place.

The Championship went to Caroline Watson and Llanarth Tango and Kim Pearson and JD's El Dorado were Reserve Champion.
