

PERTH SHOW

SATURDAY 6th AUGUST 2016

Mrs Jane MacInnes from Aberdeen judged the driving class at Perth Show this year. With a lovely selection of turnouts forward, with two pairs, a tandem of donkeys and a mule included in the class.

After a bit of a wait outside the ring for the various championships to finish before we could go in, the drivers were eventually sent into the large main ring where Mrs MacInnes put the turnouts through their paces before selecting her choices.

In first place was Richard Lanni driving his pair of Gelderlanders from his coaching team, Symen & Vinny, with Caroline Watson and her Welsh Cob, Llanarth Tango in Second place.

Luckily, the weather held for the class and all the turnouts made it back to their trailers before the rain came on so everyone at least stayed dry.
