GOATS

GUIDE FOR SHEEP & GOAT SHOW EXHIBITORS

Sheep & Goat Identification and Traceability Requirements

It is the responsibility of the exhibitor to complete all documentation as per the regulations

- **The Show CPH is 89/705/8000.**

SHEEP AND GOAT MOVEMENT DOCUMENTS AT SHOWS

Keepers

Keepers sending stock to shows will now need to complete two movement documents, one for the journey to the show and one for the return journey, regardless of the length of time spent at the show. This has been brought in to remove confusion where the show may run to more than one day or where animals are sold at the show or return to a different holding.

The movement documents to and from the show must be completed by the keeper of the animals – the same way as movement documents would be completed for stock moving to seasonal grazing locations. The white copy of each form should be sent to SAMU with the pink and yellow copies retained by the keeper.

The requirement to record the individual tags of the animals moving to the show has been removed. The movement document simply needs the number of animals being moved and arriving.

Show Secretaries

The completion of the movement document is entirely the responsibility of the keeper showing the stock and it is their responsibility to return the forms to SAMU. The form will require the CPH number of the show to be completed correctly and all livestock entrants should be made aware of the CPH number in advance of the show.

Summary

- Keepers sending sheep to shows will be required to fill in, and return, a sheep and goat movement document for the journey to the show and one for the return journey, regardless of the duration of the show.
- Individual tag numbers are not required on the movement document.
- The keeper showing the animals is responsible for the completion and return of the movement document to SAMU.
- The new document only has room for the destination holding number and not the address. The name and/or address are not acceptable it must be the holding number that is filled in here. Show secretaries should make entrants aware of the CPH number for the show.

New sheep and goat movement documents were issued to sheep and goat keepers during May 2008. Supplies of unused old style movement pads should now be disposed of, taking care to retain copies of previously completed movement documents.

ALL ENTRIES MUST BE ACCOMPANIED BY A CURRENT CAE NEGATIVE CERTIFICATE DATED WITHIN THE PREVIOUS 12 MONTHS OF THE SHOW OR HAVE BGS MONITORED HERD STATUS [SEPARATE PENNING WILL NOT BE PROVIDED]. IN THE CASE OF KIDS ENTRIES MUST BE ACCOMPANIED BY THEIR DAMS CAE CERTIFICATE VALID FOR THE DATE OF THE SHOW. NO GOAT SHOULD BE BROUGHT TO THE SHOWGROUND THAT HAS EVER SHOWN A REACTION TO THE CAE TEST.

Bluetongue Regulations

All animals attending Perth Show must be vaccinated as per the recommendations of The Scottish Government Animal Health and Welfare Division.

NOTE: JUDGING WILL COMMENCE AT 9.00 A.M.

Entrants are requested to bring their own Pen covers.

SHEEP SECTION

**GUIDE FOR SHEEP & GOAT SHOW EXHIBITORS
The Show CPH is 89/705/8000.**

SHEEP AND GOAT MOVEMENT DOCUMENTS AT SHOWS

Keepers sending stock to shows will now need to complete two movement documents, one for the journey to the show and one for the return journey, regardless of the length of time spent at the show. This has been brought in to remove confusion where the show may run to more than one day or where animals are sold at the show or return to a different holding.

The movement documents to and from the show must be completed by the keeper of the animals – the same way as movement documents would be completed for stock moving to seasonal grazing locations. The white copy of each form should be sent to SAMU with the pink and yellow copies retained by the keeper.

The requirement to record the individual tags of the animals moving to the show has been removed. The movement document simply needs the number of animals being moved and arriving.

Show Secretaries

The completion of the movement document is entirely the responsibility of the keeper showing the stock and it is their responsibility to return the forms to SAMU. The form will require the CPH number of the show to be completed correctly and all livestock entrants should be made aware of the CPH number in advance of the show.

Summary

- Keepers sending sheep to shows will be required to fill in, and return, a sheep and goat movement document for the journey to the show and one for the return journey, regardless of the duration of the show.
- Individual tag numbers are not required on the movement document.

- The keeper showing the animals is responsible for the completion and return of the movement document to SAMU.
- The new document only has room for the destination holding number and not the address. The name and/or address are not acceptable it must be the holding number that is filled in here. Show secretaries should make entrants aware of the CPH number for the show.

New sheep and goat movement documents were issued to sheep and goat keepers during May 2008. Supplies of unused old style movement pads should now be disposed of, taking care to retain copies of previously completed movement documents.

**MAEDI VISNA CERTIFICATES MUST BE AVAILABLE FOR INSPECTION

All M.V. Accredited Sheep must be accompanied by the Official Maedi Visna Status certificate for inspection [**photo copies will not be**

accepted] by the Chief Steward at the Entry Gate of the Showground. Exhibitors of M.V. Accredited Sheep should be aware of the Ministry of Agriculture's Transport Regulations. Sheep are shown entirely at their owner's risk.

All females of all breeds except Dorset Horn, Polled Dorset and Finnish Landrace to be entered and/or exhibited are:

- Non Pregnant (EMPTY)
- Have not lambed within 30 days prior to entry to the Show.
- Not subject to procedures which changed the seasonal breeding pattern.

All Shows and Sales outwith 1st May to 31st August must comprise only animals from flocks/herds in either Category 1V of the Sheep and Goat Health Scheme or the Scrapie Export Register or be segregated in an approved manner.
