

Scottish Branch Unsung Hero Award

The Trophy is to be kept for a year but also there will be a rosette and a £50 M&S Voucher.

Nominations are invited to be sent to the BDS Scottish Committee in time for the last committee meeting of the year (held before the AGM). Nominations can be made by anyone and anyone at all can be nominated they do not have to be a member of the BDS. Please write enough that the committee will understand why they are that bit special and why you think they deserve the award.

The nomination should relate to what they have done to support and assist with carriage driving in Scotland. It could be an acquaintance, friend or family member who stewards, grooms, caters, washes the pony and cleans the harness all season! No matter how unglamorous it can be anything at all but that really does have an impact and without whom we couldn't all enjoy and participate in our sport.

There are lots of people out there who assist us in our driving and deserve to be recognised and put forward so please identify them and get nominating at the end of the season!

Ann Rushton Green
